(Please note that Satellite Navigation systems, once off the A68, will take you up the wrong road!)

From the North

Take the **A68** from **Edinburgh** (signposted Jedburgh) through **Pathhead** and over **Soutra Hill** towards Lauder. The road levels out at the south end of Soutra Hill and there is a turning to the right signposted **Oxton**. (If you come to the Carfraemill roundabout you have gone too far). Turn right into Oxton.

From the South:

Take the **A68** through **Earlston, Lauder** and straight on over the **Carfraemill** roundabout. Turn to Oxton on the left just passed the **Carfraemill Roundabout**.

Once in Oxton

Keep going through **Oxton** for 1 mile.

You will pass the shop and the pub at the cross roads on your right.

Keep going as the road narrows

As it levels out there is a **cattle grid** on the right hand side. (There is a large purple sign at the entrance) Turn right and cross this cattle grid and follow the farm road for one mile. (***This is shown on the map by two dotted lines.***) The farm road is 1 mile. *It is a farm track and there are 3 humps to divert the water - so it is advisable to drive slowly!*

Follow the road and then you will see **Airhouse** on the right hand side and there is a turning to the right just after this signposted Airhouse Studios. (*If you come to the farm steading you have gone too far.*) Turn right at the foot of this lane, again signposted Airhouse Studios and go to the front of the house to Airhouse Studios to register.
